BOOK SYNOPSIS

Have you ever sent a message via scandaroon, needed a nimgimmer, or fallen victim to bowelhive? Never heard of these terms? Thats because they are a thing of the past. These words are alive and well, however, in *Forgotten English*, a charming collection of hundreds of archaic words, their definitions, and old-fashioned line drawings. For readers of Bill Bryson, Henry Beard, and Richard Lederer, *Forgotten English* is an eye-opening trip down a delightful etymological path. Readers learn that an ale connor sat in a puddle of ale to judge its quality, that a beemaster informed bees of any important household events, and that our ancestors had a saint for hangover sufferers, St. Bibiana, a fact pertinent to the word bibulous. Each selection is accompanied by literary excerpts demonstrating the words usage, from sources such as Shakespeare, Dickens, Chaucer, and Benjamin Franklin. Entertaining as well as educational, *Forgotten English* is a fascinating addition to word lovers books.

2017 ON THIS DAY DAILY DESKTOP CALENDAR - Are you looking for Ebook 2017 On This Day Daily Desktop Calendar?
